## INTERIOR

### GENERAL INFORMATION

Standard colours are either in stock or immediately available. Early TR2s had leather roll trim covers and seat faces. Subsequently up until TR4A leather faced seats was an option. In any event the only part that was leather was the face of the cushion and backrest. Not surprisingly we call these leather faced seats. We can supply these through out the range.

In addition you can have all leather seat covers, all leather interior, any colour you like in any combination you require. The following procedure has proved valuable in insuring you get what you want.

First decide what range of colours you require. We will send you vinyl, leather, carpet and hooding material (including Mohair and canvas if required) samples from which you can choose. Decide on the colours and material you require for interior, seats, piping, carpet, binding, hood, tonneau, hood cover and side-screens as appropriate and return samples. We will take a deposit and order materials. Before commencing cutting, samples of the actual material will be sent to you for final approval.

We can refurbish seats for you and fit covers for you if you require. Where our RTR bucket seats are specified, we will supply material of the interior colour to the manufacturer to ensure a proper match. We can of course also fit your interior for you.

When coloured side-screens are required, we recommend that you fit your old frames to your car with the hood and screen erect. Bend and tweak the side screens until they fit to your satisfaction then send them to us and we will have them covered to match your hood. The advantage being that you will be confident of the side-screens fitting the car when trimmed. Standard new side-screens are available under the original part number, but the fit is unlikely to be as good.

### COMPLETE INTERIOR KITS

When supplying a complete kit a quote will be given as detailed above, however, as a guide to special interior cost (usually leather), please see below.

For example TR6 leather trim set Magnolia leather, blue wool carpets.

RTR6140	Magnolia leather interior kit same colour vinyl piping.
RTR6141	1 pair seat covers Magnolia leather with same colour piping.
RTR6142	Set of carpets, wool (currently wool carpets are in fact 80% wool, 20% Rayon) Blue. Edged in Magnolia leather.
RTR6092	Cost to fit seat covers including some foam renovation, but excluding diaphragms and foam kits.
RTR6143	Cost to fit interior.
RTR6144K	1 set clips, screws etc.
RTR6006	1 set under felt

### INTERIOR PANEL KITS

All trim panel kits are available in standard colours and to special order as described in General Information. The price for black with white piping is given as a guide.

These kits comprise the following in Vinyl: -

TR2-3B Door Panels with pockets, quarter panels, back panel, wheel arch covers (rolled vinyl draught excluder, door chain covers TR2/3 only), dash and roll trim kit.

TR4-6 Door Panels, quarter panels, wheel arch covers and foam, B-post finishes, B-post strips, bulkhead panel.

When ordering a standard colour interior in leather please add the suffix L to the part number. To further identify the colour suffix the main part number, B for black, U for Blue, N for Brown and R for red.

RTR6072B	TR2 from start to TS8636. Trim panel kit vinyl black with black piping.
RTR6075B	TR3 from chassis TS8637 to TS22013. Trim panel kit vinyl black with white piping.
RTR6096B	TR3A from TS22014 to TS60000. Trim panel kit vinyl black with white piping.
RTR6097B	TR3A from TS60001 to end. Trim panel kit vinyl black with white piping.
RTR6119B	TR4 soft top. Trim panel kit. Black/white piping. Includes 3 hood sticks covers.
RTR6086B	TR4 Hard top trim panel kit black/white piping
RTR6076B	TR4A Trim panel kit vinyl black with white piping. Hard and soft-top cars.
RTR6077B	TR5-250 Trim panel kit vinyl black with white piping.
RTR6078B	TR6 CP25000-CP50000. CC25000-CC50000. Trim panel kit vinyl black with black piping
RTR6079B	TR6 CP50001 - END. CC50001 - END Trim panel kit vinyl black with black piping
RTR6080B	TR6 CR1-CR12500. CF1-CF12500 Trim panel kit vinyl black with black piping.
RTR6073B	TR6 CR12501 and CF12501-END. Trim panel kit vinyl black with black piping.
RTR6081	TR4-6 trim panel kit special colours all vinyl.
RTR6113	TR2-3B Fitting kit consisting of cup washers and screws.
RTR6144K	TR4A-6 Fitting kit consisting of cup washers and screws.
706126	Mil board foot well side TR4-6

### INDIVIDUAL DOOR PANELS, QUARTER PANELS, BACK PANELS, WHEELARCH COVERS ETC.

Please see original parts book and use original part numbers for ordering individual standard items, or ring to discuss.

### DASH AND ROLL TRIM KIT TR2-3B

We supply a dash and rod trim kit in colours to suit all interiors. These kits are available in vinyl or leather. Please state colour or ring to discuss.

Cost of individual colours and materials will vary. As a guide to pricing the part numbers for black kits are shown below: -

RTR6042BLK	Black vinyl roll trim kit (suits LHD or RHD).
RTR6095BLK	Black leather roll trim kit (suits LHD or RHD).

### BOOT LINER KIT

Whilst individual boards are available under original part number the following are supplied as complete kits. Only TR6 cars require kits as there are 5 boards in a kit. Previous cars have one board only covering the petrol tank.

RTR6087K	TR6PI boot liner kit.
RTR6088K	TR6CARB boot liner kit. This kit should be used on TR6PI where a Bosch pump is mounted in the spare wheel well or outside the body work, thus taking advantage of the space once occupied by the Lucas pump to increase available boot space.

### CARPETS

As described in the general information forward to this section, carpets can be supplied in any colour with any binding to your requirements, although grades are limited in colours other than black.

Set out below is the standard range of carpets kits available. Ask for details of any other grades or colours.

All carpets are bound in the same way with the top visible binding edge tucked under.

TR2-3B cars used three different cuts of carpet as well as different grades and even in some applications rubber mats. For simplicity we supply two types, TR2-3A Pre 60K which is actually the Pre 60K TR3A cut, and the TR3A Post 60K cut.

Should you require a TR2-3 multi piece set (very difficult to fit) or floor mats rather than carpets, please ring to discuss.

## ALL CARS

Individual carpets (for instance front floor carpets which wear out more quickly than the remainder of the set) are available under original part numbers. No guarantee of colour or carpet type match can be given when supplying part sets.

## TR2-6 SETS

STANDARD GRADE	APPLICATION	COLOUR	WOOL GRADE
RTR6011	TR2-3Apr 60K	Black	RTR6012
RTR6071	TR2-3Apr 60K	Red	RTR6014
RTR6015	TR2-3Apr 60K	Blue	RTR6016
RTR6018	TR3A post 60K	Black	RTR6019
RTR6020	TR3A post 60K	Red	RTR6021
RTR6022	TR3A post 60K	Blue	RTR6023
RTR6025	TR4	Black	RTR6026
RTR6027	TR4	Red	RTR6028
RTR6029	TR4	Blue	RTR6030
RTR6032	TR4A-6	Black	RTR6033
RTR6034	TR4A-6	Red	RTR6035
RTR6036	TR4A-6	Blue	RTR6037
RTR6038	TR4A-6	Light Brown	RTR6039
RTR6040	TR4A-6	Dark Brown	RTR6041

706126 Mill board foot well side TR4-6.  
RTR6089K TR2-6 carpet fitting kit - all clips and studs to attach carpet sets.

## TR7-8 SETS

TR7 Carpets are supplied in two sets

Main Floor Carpets . These are made to the convertible style meaning that the sill carpets will need trimming for fixed head cars.

STANDARD GRADE	APPLICATION	COLOUR	WOOL GRADE
CSA6711	TR7 Main Floor	Black	
CSA6712	TR7 Main Floor	Tartan Red	
CSA6713	TR7 Main Floor	Chestnut Brown	
CSA6715	TR7 Main Floor	Emerald Green	
CSA6716	TR7 Main Floor	Navy Blue	

### The Following sets are relevant to Convertible Cars only

CSA6811	TR7 R Cockpit	Black
CSA6813	TR7 R Cockpit	Chestnut Brown
CSA6816	TR7 R Cockpit	Navy Blue

In addition an under felt kit will be required. Without this the carpets will look baggy.

CSA6750 TR7

## FOOTWELL OVER CARPETS

Please see section 9: Accessories where suitable parts are listed.

## BOOT CARPET

All colours are available to special order, please phone to discuss.

552259	TR2-3B black, standard
552259-1	TR2-3B black, wool mix
552259-2	TR2-3B black, wool
RTR6001	TR4-4A black, wool
RTR6002	TR4-4A black, wool mix grade 1
RTR600ISP	TR4-4A special colours with vinyl or leather binding. Please state your requirements
812236CCG1	TR250 black standard.

RTR6083	TR6 CRI-CR END seat covers. Black leather faced with black piping.
RTR6085	TR4A-6 leather faced. Special colours.

*NOTE: We can provide all seat covers manufactured in full leather if required*

We provide a fitting service to have your seat covers professionally fitted to your frames. The cost covers padding, except moulded seat frames, broken frames or springs. These items will be charged extra.

RTR6092            Seat covers fitting per/pair.

## **REPLACEMENT SEATS**

Revington TR supply Classic Style Bucket Seats to their own design, which are produced for us with the Revington TR logo on the backrest. The logo can be omitted at customer request.

These seats are suitable for TR2-8 and any other car you choose to put them in. Our seats have been successfully fitted to Mini, Spitfire, Vitesse and Austin Healey etc.

Available in a wide range of colours in vinyl and leather, these seats are built on our own frames powder coated for long-term protection and incorporating multi point mounting plates offering a range of installation options. If you require headrests please order these separately, RTR6114, RTR6114SP. RTR6114L or RTR6114LSP.

**Please note that headrests are now height adjustable but can be completely removed which is useful for fitting a tonneau cover.**

Our standard production seats are trimmed to a commercial standard by production methods, which will result in some creasing of the material where it is required to hug tight curves. This creasing usually flattens out with use and warming and cooling in the sunshine.

Revington TR can arrange for seats and headrests to be trimmed by their local trimmer to a higher standard. This service costs many hundreds of pounds more, but can be quoted for on request.

Dimensions: - width at the base of the seat cushion 350mm. Width between the hip side tubes 430mm inside, 460mm outside. Height of the backrest 590mm. Length from front to back 460mm.

These seats can be fitted directly onto TR2-3B seat runners, however if your seat runners are in poor condition or you are fitting to a TR4-6 or another marque all together, please order RTR6094K.

Our seats can now be fitted with heat mats and adjustable lumber supports.

RTR6125	RTR bucket seat Black vinyl. (No headrest supplied. Please order one of RTR6114 series headrest separately)
RTR6125SP	As RTR6125 but in special colours and finishes, please enquire for specific needs. (No headrest supplied. Please order one of RTR6114 series headrest separately)
RTR6125L	As RTR6125, in black leather. (No headrest supplied. Please order one of RTR6114 series headrest separately)
RTR6125LSP	As RTR6125SP but in leather. (No headrest supplied. Please order one of RTR6114 series headrest separately)
RTR6114	Head-rest in black vinyl for RTR6125.
RTR6114SP	Head-rest in special colours and finishes vinyl for RTR6125.
RTR6114L	Head-rest in black leather for RTR6125L.
RTR6114LSP	Head-rest in special colours and finishes leather for RTR6125L.
RTR6094	Seat runner for RTR6125 series with no fittings
RTR6094K	TR2-6 seat runner kit for 2 seats including all screws etc. required.
RTR6115	Cost to include slots for seat belts (2 or 3 as required).
RTR6154	Replacement insert for seat belt slots.
RTR6013	Replacement headrest insert
RTR6116	All cars. Universal seat runner, which allows seat to tip. Can be used in TR4-6 for standard seats. Cheaper than standard runner part number 821137. Two required per car.

## **REAR SEATS**

Available for TR2-5, these occasional rear seats are made to Triumphs original specification.

Complete seats and separate covers are available. Please state colour for cover and piping required.

RTR6104	TR2-3 Cushion & squab complete, vinyl
RTR6105	TR2-3 Covers only, vinyl
RTR6106	TR3A Pre 60K Cushion complete, vinyl
RTR6107	TR3A Pre 60K Cushion cover only, vinyl
RTR6108	TR3A Post 60K Cushion complete, vinyl
RTR6109	TR3A Post 60K Cushion cover only, vinyl
RTR6067	TR4 rear squab and hood frame side covers. Black vinyl with white piping. 3 piece set comprising 1 x 806250, 1 x 564887, 1 x 564886
706047	TR4-5 Occasional rear seat cushion black with white piping

*Part number 706047 can also be used in a TR6. Please specify if black piping is required. All other colours are available to special order.*

## HOODS, HARD TOPS, TONNEAU'S AND HOOD STOWAGE COVERS

In our modern world of global trading terms we use for products can be confusing. The products listed under this heading are particularly confusing as for example a hood to us in the UK is the cloth bit listed here, yet in the USA it is the bit over the engine (a bonnet to us). Please see the FAQ section of our website and type in hood; all will be revealed.

### HOODS

In addition to the standard range of hoods we can offer the following:

#### TR2-3B HOODS

- |              |   |
|--------------|---|
| 704108DD     | TR3A type double duck hood, black with quarter lights. Can be used on all TR2-3B. TR2 did not have quarter lights. In modern traffic it must be safer to have them. |
| 704108MHRBLK | TR3A type As above Mohair hood.   |

#### TR4-4A HOODS

- |              |   |
|--------------|---|
| 705963B      | TR4 economy PVC hood black.                     |
| 705963CANBLK | TR4 double duck (canvas) black hood.            |
| 705963MOH    | TR4 Mohair black hood.                          |
| 572598B      | TR4A hood PVC black.                            |
| 572598CANBLK | TR4A hood double duck black.                    |
| 572598MHRBLK | TR4A hood Mohair black                          |
| 572598ZIPOUT | TR4A Vinyl black hood with zip out rear window. |

#### TR4-5 HARD TOP / SURREY TOP

- |              |  |
|--------------|--|
| RTR6135      | TR4-5 re-trim kit, roof panel headlining and backlight frame. For hard top cars.   |
| RTR6136      | TR4-5 re-trim kit, backlight frame only.   |
| RTR6136X     | TR4-5 re-trim kit, backlight frame only, colours.  |
| 806696       | TR4-5 Standard surrey top black  |
| 806697       | TR4-5 Standard surrey top white.   |
| 806696X      | TR4-5 Coloured Everflex Surrey top. Please state colour.   |
| 806696CANBLK | TR4-5 Surrey top double duck (canvas) black.   |
| 806696MHRBLK | TR4-5 Surrey top Mohair black.   |
| 806696MET    | TR4-5 three-piece stiffener. Fits in the front of Surrey top canopy and TR4 soft-top.  |
| 566330       | Surrey top kit to convert to soft section from hard top only black Everflex. Includes soft covers, frames and all fasteners  |
| 566458       | Surrey top kit to convert to soft section from hard top only white Everflex. Includes soft covers, frames and all fasteners  |
| RTR6139__K   | TR4, 4A, 250, 5 and TR6. New arrangement Surrey top kit with TR250, 5 and TR6 soft-top style header rail. This kit does away with the archaic idea of tucking the Surrey canopy under the front windscreen capping. Available in black or white Everflex. Please suffix part number with 'BK' or 'WK' accordingly. For Mohair and coloured vinyl, please enquire for price and availability. |

Please note that when converting a TR250 or TR5 from an existing Surrey top canopy, extra catches and new screen capping on the screen top are required. Order kit no. RTR6153.

TR4-4A owners when contemplating using this kit must use a TR250, 5 or TR6 windscreen frame, which provides the locations necessary to fit the correct hold down brackets.

### SURREY TOP PROTECTION BAG

- |          |  |
|----------|--|
| RTR6176B | Sturdy nylon bag with Velcro flap and RTR logo which will accommodate the Surrey top and its frames. Assists keeping the cover clean and reduces rotting when stored in the boot |
|----------|--|

### TR5, 250 TR6 HOODS

- |           |  |
|-----------|--|
| RTR6146   | TR5 hood mohair.                           |
| 822021MHB | TR6 hood black Mohair with zip out window. |
| 815589    | TR6 hood white everflex                    |

Available in black, navy blue, fawn, dark green, grey, dark brown and tan. Please state requirement when ordering.

### TR7-8 HOODS

- |            |                              |
|------------|------------------------------|
| WKC3668PA  | Black original material      |
| WKC3668AM  | Golden Tan original material |
| WKC3668JJ  | Navy Blue original material  |
| WKC3668MHB | Black Mohair                 |
| WKC3668MHG | Green Mohair                 |
| WKC3668MHT | Tan Mohair                   |
| WKC3668MHU | Blue Mohair                  |

### TONNEAU COVERS

Revington TR can supply a wide range of tonneau covers for all TR from TR2 to TR8. The standard range can be ordered by their original part numbers; in addition the original material (everflex) can be supplied in a variety of colours. Revington TR supplement this basic range with a host of special colours available in double duck and mohair.

Our catalogue shows a selection of part numbers to give an indication of price. Due to the extensive range, if you are unable to easily identify the part you require, or if you have any doubt about the suitability of a particular part number for your car please enquire before ordering.

- |            |  |
|------------|--|
| 559478MHRB | TR3A Tonneau Mohair black LHD.   |
| 559479MHRB | TR3A Tonneau Mohair black RHD.   |
| 822051DDB  | TR4-6 Tonneau black double duck RHD. No head-rests.                              |
| 822051MHRB | TR4-6 Tonneau black mohair RHD. No head-rests.                                   |
| 822061DDB  | TR4-6 Tonneau black double duck LHD. No head-rests.                              |
| 822061MHRB | TR4-6 Tonneau black mohair LHD. No head-rests.                                   |
| RTR6147    | TR4-6 Tonneau mohair with head-rest. State colour and if LHD or RHD is required. |
| GAC650MHRB | TR7 BL design Tonneau with flap to the top of the windscreen. Black.             |

### HOOD STOWAGE COVERS

In addition to the standard range of everflex Hood frame and hood stowage covers, we can offer everflex in colours, as well as double duck and mohair in a variety of colours. The following is a selection which should provide a guide to price. Please enquire for you particular requirements.

### TR2-3A HOOD STOWAGE COVERS

The three standard colours are Black, White and Fawn. All other colours are special order only.

- |        |               |
|--------|---------------|
| 559444 | TR2-3A, black |
| 559445 | TR2-3A, fawn  |
| 559446 | TR2-3A, white |

559444SP	TR2-3A special colour order. Everflex.
559444DDB	TR2-3A, Double duck. Black.
559444MHRB	TR2-3A Mohair. Black
559444MHRSP	TR2-3A special colour order. Mohair

## TR4 HOOD FRAME COVERS

Soft top cars do not require a separate hood frame cover as the rear seat side and back rests cover the hood frame when folded. These parts are available as a 3-piece kit; part number RTR6124 (black with white piping). All other colours and materials are supplied to special order.

## TR4A HOOD STOWAGE COVERS

The standard range of colours is Red, Midnight Blue and Black, all with white piping. All other colours and materials are supplied to special order.

708722	TR4A, black
708720	TR4A, red
708721	TR4A, blue
708722SP	TR4A, special colour, everflex.
708722MHRSP	TR4A, special colour, mohair

## TR5, 250 HOOD STOWAGE COVERS

The standard range of colours is Black, Red, Light Tan and Shadow Blue, all with white piping. All other colours and materials are supplied to special order.

713461	TR5, black
713462	TR5, red
713463	TR5, light tan
713467	TR5, shadow blue
713461SP	TR5, special colour, everflex.
713461MHRB	TR5, black, mohair.
713461MHRSP	TR5, special colour, mohair.

## TR6 HOOD STOWAGE COVERS

The TR6 hood stowage cover for soft-top cars is the same as TR5 except that the piping is the same colour as the cover. The factory also fitted a cover to the soft top when a hard top was fitted. Please see original catalogue for these.

Soft-top models standard colours are Black, Red, Light Tan, Shadow Blue, New Tan, Chestnut and Beige. All other colours and materials are supplied to special order.

726211	TR6 Hood Stowage Cover black
726211W	TR6 Hood Stowage Cover white
717562	TR6 Hood Stowage Cover red
717563	TR6 Hood Stowage Cover light tan
726217	TR6 Hood Stowage Cover blue
726213	TR6 3 on Hood Stowage Cover Chestnut
726003	TR6 3 on Hood Stowage Cover new tan
726214	TR6 3 on Hood Stowage Cover beige
726211SP	TR6 Hood Stowage Cover special order
726211DDB	TR6 Hood Stowage Cover double duck black.
726211MHRB	TR6 Hood Stowage Cover mohair, black.
726211MHRN	TR6 Hood Stowage Cover mohair, black.

## TR7-8 HOOD STOWAGE COVERS

Hood stowage covers are available in all original colours please see parts book. All other colours and materials are supplied to special order.

WKC5436PA	TR7-8 Hood stowage cover black
WKC5436SP	TR7-8 Hood stowage cover special order
WKC5436MHRSP	TR7-8 Hood stowage cover mohair special order

## TR2-8 WEATHER EQUIPMENT STOWAGE BAGS

RTR6017	TR2-3B side screen stowage bag. Owners of side screen cars will know how easy it is for hoods and side screens to get damaged whilst in the boot. These stowage bags should help prevent damage. One each required per side screen.
RTR6024	TR2-4 similar to RTR6017 but for stowage of hood and tonneau. Also suitable for TR5-8 tonneau.
RTR6031	Surcharge special colours

*NOTE: RTR6017 and RTR6024 are available in black and red. For special colours a small surcharge applies. See RTR6031 for current cost.*

## SIDE SCREENS

### SIDE SCREENS TR2-3B: NEW

Two types of new side-screens are available.

TR2 fixed window wedge type.

TR3A sliding window dzus type.

900385BLK	TR2 type black LH.
900386BLK	TR2 type black RH.
900385WHT	TR2 type white LH.
900386WHT	TR2 type white RH.
901286	TR3A dzus type black LH.
901287	TR3A dzus type black RH.
901290	TR3A dzus type white LH.
901291	TR3A dzus type white RH.

The fit of new sidescreens is a gamble with cars 50 years old and the likelihood of at least one rebuild along the way. Bear in mind the sidescreen has to match the door, quarter panel, hood and the rake of the windscreen. The chances of this being the same one side of the car to the other is unlikely and from one car to another, remote. It follows then that a new set of sidescreens are very unlikely to be a good fit on your car. We prefer where practical to recover all types of side screens using the procedure outlined below. This service is conducted on old frames (yours or ours) or new frames as determined by what you have with the car.

### SIDE SCREENS TR2-3B: RECOVERED

RTR6120	Recover side screen, each.
RTR6121X	Cost to repair your frames
RTR6121__	To recover 1 pair side screens. Suffix with MHRBLK or VINYL for Mohair black or vinyl as required.
RTR6122	Surcharge if colour other than black required.

Our recovering service has several advantage; we can use the same material as your hood and tonneau, also, you can bend and shape your old frames (or new ones if you wish) to fit your car prior to having them covered to ensure best fit. The rake of the front of the sidescreen will need to be checked against the windscreen and adjusted if necessary. This will involve releasing the top of the front bar and rewelding in the correct place. If you choose to have the sidescreens recovered in the same material as your hood, please ensure that enough material to cover your side screens is ordered at the time of ordering you hood and tonneau to ensure correct match. If the frames of your current sidescreens are too poor to use or you don't have any at all we can supply new sidescreens for you to fit to your car prior to returning to us for recovering.

New frames are kept in stock manufactured from Aluminium and are available in steel to special order. See under SIDSCREEN PARTS for frame particulars.

The following service will be of use where your side screens are generally in good shape, but you can't see through them!

RTR6074 TR2 side screen renewal of fixed cobex.  
 RTR6157 TR3-3B as above but with sliding window renewed too. One side screen only.

## SIDE SCREEN PARTS

Revington TR have reintroduced a range of sidescreen frames in both steel and aluminium to suit all needs. New frames are kept in stock manufactured from Aluminium and are available in steel to special order. These can be adjusted to suit the individual car then covered; an additional service Revington TR can offer.

The following variations are available: -

900385NF Steel Left Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

900386NF Steel Right Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

900385NFAL Aluminium Left Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

900386NFAL Aluminium Right Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

900682NF Steel Left Hand TR3-3A sliding window, with separate lower frame in flap and zip, wedge attachment.

900683NF Steel Right Hand TR3-3A sliding window, with separate lower frame in flap and zip, wedge attachment.

900682NFAL Aluminium Left Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

900683NFAL Aluminium Right Hand TR2-3 one piece window, with separate lower frame in flap and zip, wedge attachment.

901286NF Steel Left Hand TR3A sliding window, with fixed lower frame, no zip, Dzus attachment.

901287NF Steel Right Hand TR3A sliding window, with fixed lower frame, no zip, Dzus attachment.

901286NFAL Aluminium Left Hand TR3A sliding window, with fixed lower frame, no zip, Dzus attachment.

901287NFAL Aluminium Right Hand TR3A sliding window, with fixed lower frame, no zip, Dzus attachment.

901286NF-1AL Aluminium Left Hand TR2-3 sliding window, with fixed lower frame, no zip, Wedge attachment. Not an original fitment this arrangement allows the sliding window to be utilised on early wedge bracket cars.

901287NF-1AL Aluminium Right Hand TR2-3 sliding window, with fixed lower frame, no zip, Wedge attachment. Not an original fitment this arrangement allows the sliding window to be utilised on early wedge bracket cars.

MM803-255 TP703 TR2-3A Wedge, side screen mount  
 Screw securing wedge.

## SUN-VISORS & WIND DEFLECTORS

### SUN VISORS

MM240-300 TR2-3B tinted sun-visors that clip onto the top rim of the windscreen. 2 required.

MM647-000 TR2-3B wind deflector set. Clips onto the side of the windscreen frame. Clear plastic. Car set of 2.

Whilst TR4-4A complete sun-visor sets are not available new, owners may wish to fit either the following general-purpose visors: -

YGX4173AP TR4-6 Sun visor. General purpose, simple style: screws directly to the screen frame. Soft material white one side, grey the other.

RTR6178SK TR4-6 Sun visor same fitting as YGX4173AP but made from smoked Perspex

RTR6178GK As RTR6178SK but made from green Perspex  
 MM647-500 TR4-4A tinted sun visors.

### TR6 SUNVISOR KIT

TR4/4A owners may wish to use the following TR6 items. As the windscreen frame is exactly the same shape this is not a difficult task.

The parts you will require are (selecting two appropriate sun visors of course!):-

823421 Sun-visor, driver, black. OR  
 812719 Sun-visor, driver, white  
 823461 Sun-visor, passenger (with mirror), Black RHD  
 823471 Sun-visor, passenger (with mirror), Black LHD  
 812749 Sun-visor, passenger (with mirror), White RHD  
 812759 Sun-visor, passenger (with mirror), White LHD

812760 Mounting bar straight (x2)  
 812761 Mounting bar cranked LH  
 812762 Mounting bar cranked RH  
 812684 Bracket swivel mount LH  
 812685 Bracket swivel mount RH  
 SH604041 Screw bar to bracket (x2)  
 WP10408057 Washer for above (x4)  
 509556 Screw bracket to frame (x2)  
 512156 Screw bracket to frame (x4)  
 570145 Nut bracket to frame (x2)  
 FC2804 Nut bracket to frame (x4)  
 622431 Retainer Rubber (x2)  
 AB606051 Screw for above (x4)  
 WP3 Washer for above (x4) + sun visor from 8  
 SPF0344K TR5-6 black sun-visor mount. Polyurethane.

### TR7 SUNVISOR PARTS

SPF0273K TR7-8 black sun-visor mount. Polyurethane.

### WIND DEFLECTORS

MM647-000 TR2-3B wind deflector set. Clips onto the side of the windscreen frame. Clear plastic. Car set of 2.

## DASH BOARDS

### DASHBOARD WOODGRAIN TREATMENT

A process known as **Hydrodip** that was commonplace in the 20s and 30s is enjoying a renaissance. The process allows the grain and look of wood or carbon fibre (amongst a variety of finishes) to be applied to any surface however complex in shape.

The obvious choice when talking TRs is the refurbishment of TR4-6 wooden dashboards and applying a wood grain look to TR4 (and TR2-3A if you like) metal dashboards. The finish is truly amazing and indistinguishable from natural wood unless scrutinised with the closest of inspection.

Two part numbers below are priced to refurbish your existing wooden or metal dashboard. The benefits of this over new dashboard are; -

A. fit. If the dashboard came off your car (or has been adjusted to fit your car) it will fit properly when returned

B. Additional holes/repairs can be made to suit your specific application (overdrive engagement warning lamp, intermittent wiper switch for example) before processing.

All other parts (wooden door tops for example) that you wish to have processed at the same time will be priced individually.

RTR6164-1 TR4A-6 Hydrodip wooden dashboard

RTR6164-2 TR4 Hydrodip metal dashboard

### TR2-3B DASHBOARDS

901776X	Steel dash panel RHD
901776XAL	Ally dash panel RHD
901704X	Steel dash panel LHD
901704XAL	Ally dash panel LHD
601985A	Aluminium glove box door suitable for LHD and RHD
601985W	Wooden glove box door RHD
601986W	Wooden glove box door LHD
RTR6174L	Burr Walnut dashboard LHD
RTR6174R	Burr Walnut dashboard RHD

### TR4-6 WOOD DASHBOARDS

Revington TR dashboards are made from exterior grade Marine plywood with cut and matched Walnut Veneer. Great care has been taken with our patterns to ensure a trouble free fit

Standard finish for TR4-4A is Gloss and Satin for TR5, 250 and TR6.

Please suffix part number with 'B' when ordering Burr Walnut followed by 'S' for Satin, where Satin was not standard, and £ where Gloss was not standard.

The following are the standard dashboards:

903508	TR4 LHD Late. Mostly American spec
903507	TR4 RHD. Same as late TR4 LHD item but for RHD
904153	TR4A LHD. Gloss walnut
904154	TR4A RHD. Gloss walnut
907710	TR250/TR5-6CP LHD. Satin walnut
907709	TR5-6CP RHD. Satin walnut
RTR6112	TR6CP LHD Early 1972 with large hazard switch hole 5/8 x 1-3/8
910057	TR6CR RHD 1973 without hazard switch
910058	TR6CP LHD Late 1972 with seat belt warning lamp
917647	TR6CR RHD. Satin walnut standard ply. With hazard switch.
917648	TR6CF CF1-CF27000 LHD. Satin walnut standard ply. With hazard switch.
917550	TR6 CF27001-3500 LHD. Satin walnut
WKC2511	TR6 CF35001-58328 LHD. Satin walnut

### TR4-6 METAL DASHBOARDS

The Triumph catalogue plates should be used to identify standard TR metal dash panels however the following parts are useful alternatives.

RTR6133	TR4-6. 4mm thick aluminium dashboard blank. No holes cut so that you can choose your own layout.
RTR6158	TR4-6. To assist with fitting dash panel RTR6133 to cars with our full cage, we offer these wings to fit from the dash panel to the post captive nut.
RTR6159	TR4-6 $\pm$ q bracket to attach dash panel RTR6133 to bulkhead top.
RTR7075	TR4-6 Glove box blank. 4mm alloy. Can be used as a glove box lid, blank for rally instruments.

## ITALIA INTERIOR PARTS

RTRI6001	Interior door pull handle
RTRI6002	Interior door pull moulding
RTRI6003L	Interior door pull trim moulding LH
RTRI6003R	Interior door pull trim moulding RH

## MISCELLANEOUS

### 'P' SECTION FURFLEX

TR2-3B 'P' section furflex replaces 552877/8 trimmed scuttle and quarter casing draught excluder. Available in colours as below. Sold by the metre. 12. Metres required. See page 140 original parts book.

552877BLK	Black
552877BLU	Blue
552877GRY	Grey
552877RED	Red
552877TAN	Tan/Brown
552877BG/M	Beige

### DOOR CHAIN

RTR6110	TR2-3 door chain. When covered in interior material is a convenient alternative to 552227 (page 91 of parts book)
RTR6123	Cover for RTR6110.

### DOOR FURFLEX AND SEAL COMBINATION

This is the type of seal used on TR5-6, clipping onto the outer and inner sill spot welded flange. This seal is often retro fitted to TR4 and 4A. The furflex is available in two lengths standard and for soft top TR4-6 and Hardtop (surrey top) TR4-5.

*Please check that these shades are available at the time of ordering. Beggars can't be choosers as this product is slowly disappearing.*

<u>SOFT TOP</u>		<u>HARD TOP</u>
713361	Black	713371
713361N	Brown	713371N
713362	Red	713372
713363	Light Tan	713373
713366	Midnight Blue	713376
713367	Shadow Blue/Grey	713377

### DOOR WAIST RAIL TRIMS

812311-21W	TR4-6 wooden waist rails to fit on top of the doors. Being wood they are not prone to breakage, attractive alternative to naff black plastic originals. The rails are 10mm thick and hug the top of the door. As such they do not stick inwards from the door like TR4A-6CP/CC. No finger pull is provided, so TR4-4A type door pull handles will be required. Order handle 650306 x 2, screws 510799 x 4 and fixing nut FS2758 x 4, original contour around the finger pull. Comes with screws.
812311-21WB	As above, with burr walnut veneer
808228C	TR4A waist rail cover only moulded PVC. LH.
808229C	TR4A waist rail cover. As above RH.

### CRASH PAD/GRAB HANDLE TRIM

808732R	TR4-4A RHD LH crash pad/grab handle retrim service. This service is carried out on your own
---------	---

grab handle and is only undertaken on the understanding that we can only do what is possible with 2 hours labour. Miracles should not be expected. The LHD RH crash pad/grab handle is available new under original part number.

### **CENTRE CONSOLE TRIM**

RTR6007 TR4A-6 centre console re-trim kit black.  
 RTR6007F TR4A-6 centre console re-trim service. This service relies on your old unit being in reasonable but tatty condition. Should it not be, a quote will be given. Price includes cover.  
 RTR6007LF TR4A-6 as RTR6007F but using black leather (included).

### **SCREEN FRAME TRIM**

RTR6044 TR4-6 screen frame re-trim kit black- Standard trim type vinyl cut to size.  
 GAC6029X TR4-6 screen frame retrim kit black, moulded as original.

### **DOOR GLASS RUNNERS, SPIDER HANDLES**

850430FT TR4-6 door glass runner insert, replaces the felt in the side runners. 4 per car.  
 RTR7275K TR4-6 spider window winder, essential when a full cage and door bars are fitted.

### **GEAR-LEVER GAUNTLET**

RTR6090 TR5-6 gauntlet, gear-lever cover only. Part of 631881 PVC black.  
 RTR6091 TR5-6 gauntlet, gear-lever cover only. Part of 631881 leather black.

### **LEATHER TREATMENT & GLUE**

RTR6134 All cars. Leather Balsam by Renapur, made with Bees wax. 250ml  
 PPD32 Glover bond spray glue for foam 500ml  
 PPD32-1 Smart Tack spray glue for general use 500ml  
 PPD32-2 Scotch weld universal contact adhesive 1ltr tin
